

Network Type: LV

MO-681..

32mm Insulated cranked ring spanner

Application:

 Insulated Cranked Ring Spanners, designed for professionals who demand precision and safety. Made from premium chrome vanadium steel for exceptional strength and durability, these spanners are built to withstand tough environments. The PVC dip process provides a comfortable grip, while the cranked design provides easy access to tight or recessed spaces. With superior insulation that protects against electrical shocks up to 1000V AC and 1500 V DC.

Features:

- Maximum operating voltage: 1 000 V AC 1 500 V DC.
- · Orange hardened PVC insulation.
- · Made from high quality Chrome Vanadium Steel

12 sided ring spanner allows for operation in tight spaces
